I believe communication is the key to any successful project, and I would like to start things off on the right foot but suggesting we schedule a phone or Skype call to discuss the project further. This will enable us to make sure we communicate well and that both parties are completely comfortable with the scope of the Project.

Our Objective: Long term relationship. We believe in Good work. No compromise on quality.

NDA Sign up: Yes, we can do it if needed.

Payment: As per agreement. However if we can't meet the result we will refund the money.

Thank you for taking the time to read my application.

Best regards,
